

Dear, Cecilia Casas Desantes

DEMHIST Secretary

I am very happy to communicate with for and support DEMHIST Committee for me.

Through the completion of a Virtual tour of

Zafaran museum& an archival documentary film project for the distinguished Zafaran Palace Museum in Egypt

- The work team worked on the project more than once, about 7 separate working days, this project was carried out by two fellow engineers specializing in heritage and museum studies those who work in such kind of virtual tours and two Archaeologists who specialize in palace museums in Egypt include me.

The Zafaran Palace(Currently Under restoration) consists of three floors and the roof of the current museum on the ground floor of the palace. It consists of the halls of “Egyptian Antiquities and Excavations - Islamic Antiquities - Modern Antiquities - and the Museum Technology Hall.”

And all this effort appeared in the virtual tour High-quality cameras and equipment were rented in order to create a high-quality image.

Attached is an invoice for the total amount required and spent on the project.

Thanks for your support and I waiting for good news.
